Our Beginning

The 2016 Martin Luther King's Day celebration organized by the Interfaith Clergy Alliance of South County was the impetus to start an interfaith lay group. On February 4th, 2016 a group of dedicated individuals from diverse faith communities met to organize and launch the Interfaith Community of South County that became known as ICSC.

Our Membership

ICSC is currently comprised of 22 south county faith organizations — Advent Lutheran Church, Community Christian Church, Congregation Emeth Jewish Community, Gavilan Hills Unity Church, Gilroy Bilingual Seventh Day Adventist Church, Dhammakaya Meditation Center Silicon Valley, Gilroy Presbyterian Church, Gilroy United Methodist Church, Good Shepherd Lutheran Church, Grace Hill Presbyterian Church, Lutheran Church, Morgan Hill Seventh Day Adventist, Morgan Hill United Methodist Church, Salinas Hispanic Seventh Day Adventist Church, South Valley Islamic Community, St. Katherine of Alexandria Parish Catholic Church, St. John the Divine Episcopal Church, St. Mary Catholic Church, St. Stephen's Episcopal Church, The Church of Jesus Christ of Latter-day Saints Gilroy, The Church of Jesus Christ of Latter-day Saints Morgan Hill, West Hills Community

Who We Are

ICSC is committed to creating compassionate communities through educational, social, and service programs.

Inclusivity

ICSC is open to all faiths and denominations.

Education

ICSC promotes understanding through “Faith of Our Neighbors”, an educational program open to the public in the “home” of one of our faith communities. In this setting, the clergy and lay leaders of the hosting community teach about their faith while guests have an opportunity to ask questions.

Social Action

Our Interfaith Community emphasizes our common American values of freedom, liberty and justice for all by celebrating Thanksgiving, Martin Luther King Day, the Fourth of July and Memorial Day together with the Interfaith Clergy Alliance.

ICSC has responded to acts of hatred and bullying targeting religious and social minorities. We supported the local Muslim community in its struggle to establish its worship site. Together with our clergy we stood in support of Jewish, Muslim, and Christian worshipers after worship site shootings in California, Pittsburgh, Sri Lanka and New Zealand. We stood in solidarity with our Asian brothers and sisters victimized by horrific and hateful acts.

Community Service

The ICSC community is a key partner in the Morgan Hill Safe Car Project since its inception. This pilot program provides meals to unhoused families during the Covid pandemic. ICSC also provides various supplies needed for the families in the Project. In addition, we provide support to multiple charity organizations like, but not limited to, Edward Boss Prado Foundation, Saint Joseph Family Center, Gilroy Compassion Center, Home First, and Saint Catherine’s Reach Out Food Pantry program.
